Kellys Kritters

Pet Care Services

Are you planning a holiday, or weekend away, or just need someone to look after your pet for a single day or just for a few hours?

Our Services Include:

We all have times when we need to be away from home for many different reasons. From personal experience we know that one of the biggest concerns when we go away is 'who will care for our pets?'

This, & our genuine love of animals, prompted the beginnings of 'Kellys Kritters', our family run Dog Walking & Pet Care Services.

We have many years experience of caring for a variety of our own pets within our own family setting & our aim would be to provide the same level of care that we have lavished on our own animals.

We promise to provide a high standard of care to your pets in your absence, with particular consideration given to affection, dietary & medical needs, exercise where appropriate & the utmost respect of your property & belongings

We are flexible, adaptable & our 1st class service is offered at a reasonable & affordable cost

We can create an individual pet care plan wherever possible & tailor this to you and your pets needs

You can be sure that your pet is in safe hands.

Home Boarding in Our Home

£15.00 Per Day (£7.50 for 2nd dog from the same household)**

Your dog would stay in our home, with our pets & be treated like part of the family. Your dog would need to fetch his/her own bed, favourite toy, dog bowl & food. Your dog will go for walks with our dogs & have fun playing & being loved whilst he/she awaits your return from holiday.

Day Crèche

£13.00 Per Day (maximum of 10 hrs)**

Your dog will spend the day in our home where he/she would play with our dogs, go for walks & have a fun time until your return each day.

Visiting Your Dog in Your Own Home

£9.00 per visit**

We will visit your dog in its own home environment & feed him/her, go for a short walk & play with your dog for a period of up to an hour, per visit.

This service is particularly useful for elderly dogs or puppies who prefer their own environment. However this service is not suitable if you are going away on holiday as your pet would be alone at night & we would not feel comfortable knowing that the dog was alone overnight.

Dog Walking Service

£9.00 per visit**

Includes walk and playtime, for a period of up to an hour per visit.

Cat Visiting

£7.50 per visit**

Your cat will be visited a minimum of once a day for a period of up to 30 minutes. We will feed your cat & give fresh water & clean the litter tray on a daily basis. We will play with & cuddle your cat as per your instructions.

Pet to Vet Taxi Service

From £10.00 per visit to local vet**

If you require us taking you and your pet elsewhere, please ring for a competitive price.

Our Pet/House Sitting Service

£50.00 per day + Food Expenses**

Our pet /house sitting service will appeal to people who have several pets that need to be taken care of whilst you are on holiday or on a short break away.

We will stay in your home at night & up to 3 consecutive hours at any one time, during the day, caring for your pets.

We only have limited availability for this service so please book early to avoid disappointment. During our stay your home will have a 'lived in' appearance, with curtains opening & shutting & general household noises of an occupied property.
